

**Annual Meeting and State of the Lake Address with Dr. Bill Deutsch
November 14, 2009 9:00 AM**

The Smith Lake Environmental Preservation Committee (SLEPC) is hosting the Annual Meeting and State of the Lake Address on Saturday November 14, 2009 at the Dodge House Restaurant at 9 AM. Dr. Bill Deutsch and Eric Reutebuch from the Alabama Water Watch Program (AWW) will be presenting water quality data collected by the volunteer citizen monitors from around Smith Lake and noting trends and changes around the watershed. Thanks to our dedicated volunteer water quality monitors, the data base of water quality information for Smith Lake has become quite extensive and we look forward to seeing the results of their efforts from all around the lake.

In addition, Mona Scruggs will discuss the status of the Rock Creek Watershed Management Plan and what it means for Smith Lake.

The meeting is open to the public and everyone is encouraged to attend and bring a friend. The Dodge House Restaurant is located on Hwy 69 just west of I65 at exit 299. For more info call Deb Berry at 205 915-8830.
